ING Real Estate

ING Real Estate is an integrated group that is engaged in the development, finance and investment management of quality real estate in the world's major markets. With a total portfolio exceeding EUR 100 billion, They rank among the leading global real estate companies, serving a broad client base from our offices across Europe, North America, Australia and Asia.

New Business Interiors team of fitters installed 2030 square metres of specialist carpet tiles to match existing flooring on ground floor area.

The project was completed within a 3 week time frame leaving the site clean and clear for occupation.

Client Comment:

This was our first project with New Business Interiors. We found them to be professional and accommodating and the project was completed within the given time frame and budget. We would recommend them and work with them again on future projects.
